

## MODULE DESCRIPTION

### General

School	Geotechnical Sciences
Department	Forest and Natural Environment Sciences

### Module Information

Title	Student Practical Training
Course Code	J.1
Level of Studies	Undergraduate
Teaching Period	Spring
Attendance Type	Student Practical Training
Prerequisites	8 <sup>th</sup> semester of studies plus some requirements which are under consideration

Orientation	Weekly Hours		Year	Semester	ECTS
	Lectures	Laboratory work			
Core				S	0

### Faculty Instructor

The Head of the Department and the Practical Training Committee

### Type of Module

- General Foundation
- Specific Foundation / Core
- Knowledge Deepening / Consolidation

### Mode of Delivery

- Face to face
- Distance learning

### Digital Module availability

- E-Study Guide
- Departments Website
- E-Learning

### Language

	Teaching	Examination
Greek	<input checked="" type="checkbox"/>	<input type="checkbox"/>
English	<input type="checkbox"/>	<input type="checkbox"/>

### Erasmus

- The course is not offered to exchange programme students

### Learning Outcomes

Upon completion of the traineeship, students are expected to:

- Have familiarized themselves with the subject of their internship using the scientific knowledge and skills they have acquired during their studies
- Have developed autonomous skills
- Have developed teamwork skills in an interdisciplinary environment and under the supervision of qualified scientists

### List of General Competences

- Apply knowledge in practice
- Work autonomously
- Work in teams
- Work in an international context
- Work in an interdisciplinary team
- Respect natural environment
- Advance free, creative and causative thinking

### Module Content (Syllabus)

Student practical training is mandatory for all students of the Department. It is carried out in a public or private sector, or a Forest Complex and / or a combination of the above and in any case in sectors related to the subject of Forest Science. Students have the opportunity to carry out their practical training in the framework of the Project "Competitiveness, Entrepreneurship and Innovation" under the Corporate Pact for the 2014-2020 Growth Framework, which is implemented through the Special Management Service of the Operational Program "Human Resource Development, Education and Lifelong Learning. The project is co-financed by the European Union (European Social Fund) and National Resources. Student practical training lasts two (2) months and is paid.

### Educational Material Types

- Practical Training Book

### Use of Information and Communication Technologies

- Use of ICT in Communication with Students

### Student Assessment Methods

Deliverables on the basis of which the traineeship is evaluated are:

1. Traineeship notebook signed by the supervisor of the reception agency, the supervisor of the Department and the Head of the Department
2. Confirmation of the receiving agency that the traineeship has been carried out
3. A copy of the insurance stamps
4. A copy of the employment contract

Student Practical Training is marked as Successful / Unsuccessful
